2. Equality Impact

Using the table below please indicate whether the policy/strategy/decision has a positive, negative or no impact from an equalities perspective on any of the protected equality groups listed below. Please also give consideration to wider equality of opportunity and community cohesion impacts within and between the groups identified. If you have identified any negative impact and mitigating actions are not sufficient, you will need to complete a Full Equality Impact Assessment.

Equality		Positive Impact (It could benefit)	Negative Impact (It could disadvantage)	Reason and any mitigating actions already in place (to reduce any adverse /negative impacts or reasons why it will be of positive benefit or contribution)	No Impact
Age	Older people			Communication, engagement and consultation with Seniors Together in Rossendale (STIR) has taken place to encourage involvement and to consider views on participation of older people, and to incorporate their ideas. The THI scheme itself holds no adverse impact for different age groups. Effort will be made to reach all age groups particularly those who could most benefit from the scheme e.g. students, NEETs, older people through targeting the specific groups with publicity and offering information in different mediums. All information will meet the objectives of the Communicating Clearly Guide in terms of plain English and no jargon. Alternative formats will be provided as requested.	X
	Younger people and children			Communication, engagement and consultation with schools, youth groups and higher education has taken place through the development of the bid to ascertain views and ideas to encourage involvement and to devise a scheme that encourages their involvement. The THI scheme itself holds no adverse impact for different age groups. Effort will be made to reach all age groups particularly those who could most benefit from the scheme e.g. students, NEETs, older people through targeting the	X

Disability	Physical/learning/mental health			The THI scheme itself holds no adverse impact for people with a disability. However, effort will be made to reach people with different disabilities as their input into the scheme is vital to ensure we take into consideration all needs. Additionally, their needs will be considered as part of public realm works in line with the Council's equality duty.	X
Gender Reassignment	Transsexual people			The THI scheme holds no adverse impact for people who have had, or undergoing gender reassignment.	Х
Pregnancy and Maternity				The THI scheme holds no adverse impact for pregnant women or those on maternity.	Х
Race (Ethnicity or Nationality)	Asian or Asian British people Black or black British people Irish people White British Chinese people Gypsies & Travellers Other minority communities not listed above (please state)			The THI scheme holds no adverse impact for people of different nationality or ethnic backgrounds.
