Rossendale  
BOROUGH COUNCIL

**This leaflet Forms part of Your Council Tax Bill**

**Message from  
Councillor  
Alyson Barnes,  
Leader of  
Rossendale  
Borough Council**

Welcome to this year's council tax leaflet, which explains everything you need to know about your council tax and how it is spent.

As you'll know in the last few years, setting our Council's budget plans has been extremely difficult and tough decisions on where best to put our resources have had to be made. It's no secret that this Council has been hit by huge reduction to its core government funding. Despite this, we have still delivered good services and projects that have improved the borough. Only a small part of the Council tax you pay goes to Rossendale Council.

The vast majority of your Council Tax - 86% funds County Council and Police and Fire Services in Lancashire. As a borough council we retain less than 15p in every pound paid. 71p in every pound goes to Lancashire County Council, which has responsibility for social care. The cost to households for all the services Rossendale provides is, on average, about £3 a week.

This pays for things like collecting bins, tackling fly tipping, maintaining and making our parks better, improving housing, developing the economy, planning, public protection and working with community groups and others to make a real difference to the borough.

The Council is also still investing in major projects such as redeveloping the borough's town centres, developing the economy and improving its cultural and leisure facilities. I hope you find this leaflet useful. We will continue to fight for funding and investment for our town centres, deliver big projects and continue working with partners to improve the borough we love.

## **Lancashire County Council Adult Social Care**

The Secretary of State made an offer to adult social care authorities. ("Adult social care authorities" are local authorities which have functions under Part 1 of the Care Act 2014, namely county councils in England, district councils for an area in England for which there is no county council, London borough councils, the Common Council of the City of London and the Council of the Isles of Scilly.)

The offer was the option of an adult social care authority being able to charge an additional "precept" on its council tax without holding a referendum, to assist the authority in meeting its expenditure on adult social care from the financial year 2016-17. It was originally made in respect of the financial years up to and including 2019-20. If the Secretary of State chooses to renew this offer in respect of a particular financial year, this is subject to the approval of the House of Commons.

# 2020/21 About your Council Tax Bill

The following information is intended as guidance only and is not a full statement of the law.

If you need more information on any of the subjects mentioned below, please phone 01706 217777 (Option 1) or check: [www.rossendale.gov.uk](http://www.rossendale.gov.uk)

Council Tax is charged on most homes, whether owned or rented.

The amount of Council Tax you pay depends on:

- the valuation band your home falls into;
- the area you live in; and
- whether you are entitled to any benefits or reductions.

Council Tax valuation bands for each property were decided by the Valuation Office Agency in 1991. For more information see, [www.voa.gov.uk](http://www.voa.gov.uk)

There are eight bands, from A to H. Properties are still banded on their 1991 values. New properties are placed in a band according to the open market value they would have had in 1991.

<b>Band A</b>	Up to £40,000
<b>Band B</b>	£40,000 - £52,000
<b>Band C</b>	£52,000 - £68,000
<b>Band D</b>	£68,000 - £88,000
<b>Band E</b>	£88,000 - £120,000
<b>Band F</b>	£120,000 - £160,000
<b>Band G</b>	£160,000 - £320,000
<b>Band H</b>	More than £320,000

**From every pound in council tax:**

**71p - Lancashire County Council**

**14p - Rossendale BC**

**11p - Police & Crime Commissioner**

**4p - Combined Fire Authority**

You can appeal against your valuation band if you have moved into your home in the last six months, the building has been altered since the 1991 valuation; or the area where you live has changed in a way which could affect the value of your home.

There is no charge for making an appeal. If you choose to employ a company to appeal on your behalf, you should take great care that you understand their fees and charges. (Please note that bandings can go up as well as down).

You should continue to pay your council tax bill whilst awaiting the outcome of any appeal.

Rossendale BC collects Council Tax on behalf of a number of charging bodies (preceptors). The tax is then divided as a contribution towards the budgets of each preceptor. Full budget information is also available on the Council's website (including Lancashire County Council, Fire and Police) by following the links on the back of your bill.

# Council Tax Discounts

## Single person's discount

If you are the only adult in your home (aged 18 or over), we will reduce your bill by 25%. Unless you tell us differently, your Council Tax bill will assume that there are two or more adults aged 18 or over living in your home. However, when considering the number of adults living in a property, we do not include:

- » full-time students, student nurses, apprentices and youth training trainees;
- » 18 and 19-year-olds who are at school or have just left school;
- » people who have severe mental health issues/illness;
- » people staying in hospitals, care homes, prison or certain hostels or night shelters;
- » care workers working for low pay (usually for charities);
- » people caring for someone with a disability who is not their partner or child under 18;
- » members of visiting forces and some international institutions; and
- » members of religious communities (monks and nuns).

## Empty Property Discount & Premium

A discount is granted for the first 6 months that a property is unoccupied and unfurnished; 100% discount for the first month, followed by 50% discount for the next 5 months.

After 6 months a vacant property will be subject to a full charge. Where a property remains continuously vacant for more than 2 years a 50% premium will be applied i.e. a charge of one and a half times the normal rate of council tax will apply.

When a property is vacant due to major repairs or structural alteration, then a 50% discount can apply for up to 12 months.

For annexes occupied by a non-dependent relative, 50% discount applies.

If you are awarded a discount we will issue a notice to you to confirm it. In the case of time limited discounts, you will receive a further notice shortly before the expiry of the discount to explain what the charges will be.

## Disability Banding Reduction

If a resident has a disability and there is an extra bathroom or kitchen, or extra space in your property for their needs, we may reduce your Council Tax by the equivalent of one valuation band.

# Council Tax Support

If you are on a low income, you may be able to claim Council Tax Support (a reduction in your bill). The amount we will take off your bill depends on:

- » **your income and savings;**
- » **your personal circumstances;**
- » **how much Council Tax you pay**
- » **the circumstances of the people living with you.**

To claim Council Tax Support, you will need to fill in a form and provide proof of your identity, income and savings, and details of anyone who lives with you. For working age claimants, the maximum level of support is 80% of the council tax. Those of pension age can receive up to 100%.

Universal Credit Claims do not include Council Tax support and a separate claim must be completed. Information is available on our website.

## Alternative Maximum Council Tax Support

If you share your home with another adult who is not your partner and who is on a low income, you may be able to claim Second Adult Rebate. This discount is based on the income of the other adult, not on your income. It provides a reduction of up to 25% on your Council Tax bill.

For further details phone **01706 217777** or email [benefits@rossendalebc.gov.uk](mailto:benefits@rossendalebc.gov.uk)

We can also consider making a reduction in council tax if you have been affected by unusual or exceptional circumstances and do not qualify for other discounts exemptions or support schemes. Any such request must be made in writing.

## Change in Circumstance

You are required to let us know about any changes in your home circumstances within 21 days. This is particularly important if you are claiming Council Tax Support, discounts or exemption for your property. If you do not, or the information you provide is not correct, you will have to pay us the difference between the amount of Council Tax you have paid and the amount you should have paid following the change in circumstances. You may also have to pay an additional penalty of either £70 or £280.

## Fraud prevention

Rossendale Borough Council is committed to protecting public money. It employs a team dedicated to tackling fraud, which includes investigating Council Tax Support, Single Person Discount, Exemption & Business Rates related frauds. The Council may issue a financial penalty or take prosecution action against those found to be committing/assisting others to commit fraud. The Council uses the data it holds to prevent and detect fraud and error by taking part in data matching exercises. This includes the National Fraud Initiative [NFI] which matches our records with other Local Authorities, the Department for Work and Pensions and other organisations, any matches identified are investigated.

## Appeals

You can appeal against your Council Tax liability, for example if you believe you should be entitled to a discount or exemption or that you should not be the person responsible for the tax. If you decide to appeal, you must continue paying your Council Tax. If you do not pay in these circumstances, the council may take action to enforce payment. There is no right in law to withhold payment and the Courts will not accept an outstanding appeal as a valid defence against recovery action. We will adjust your future payments or refund any amounts you have overpaid if your appeal is successful.
