

Certificate of fitness to drive A Hackney Carriage or Private Hire vehicle

When completing this medical report and certificate, please have regard to the DVLA's "At a glance guide to the current medical standards of fitness to drive" and the Medical Commission's accident prevention booklet "Medical aspects of fitness to drive". The main purpose of the medical report is to ascertain that the client is fit to drive and any additional information should only be disclosed to advise on recommended length of fitness (eg, insulin dependent diabetic).

Applicants who may be symptom free at the time of the examination should be advised that if, in future, they develop symptoms of a condition which could affect safe driving and they hold any type of licence they must inform the Council.

Any additional information not relevant to the below two instances are not to be disclosed. The medical practitioner must determine from the completed medical whether the applicant is or is not fit to drive under Group 2 standards.

This page must be completed by the applicant Applicant's consent and declaration

You **MUST** fill in this section and must **NOT** alter it in any way.

Please read the following important information carefully then sign to confirm the statements below.

Important information about consent

As part of the investigation into your fitness to drive, we (DVLA) may require you to have a medical examination or some form of practical assessment. If we do, the people involved will need your background medical details to carry out an appropriate assessment. These may include doctors, orthoptists at eye clinics or paramedical staff at a driving assessment centre. We will only release information relevant to the assessment of your fitness to drive will be released. In addition, where the circumstances of your case appear exceptional, the relevant medical information would need to be considered by one or more members of the Secretary of State's Honorary Medical Advisory Panels. The membership of these Panels conforms strictly to the principle of confidentiality.

Consent and declaration

I authorise my doctor(s) and specialist(s) to release reports/medical information about my condition relevant to my fitness to drive, to the Secretary of State's medical adviser.

I authorise the Secretary of State to disclose such relevant medical information as may be necessary to the investigation of my fitness to drive, to doctors, paramedical staff and panel members.

I declare that I have checked the details I have given on the enclosed questionnaire and that, to the best of my knowledge and belief, they are correct.

I understand that it is a criminal offence if I make a false declaration to obtain a driving licence and can lead to prosecution.
