Hello Tony

As you are aware I act on behalf of Mr and Mrs Wrigley in respect to land at Hud Hey and Rising Bridge Road.

My clients do not wish to make further representations at this stage other than to confirm the position set out in the previous statements.

In particular they would like to reiterate their support for the Council's position in allocating Hud Hey and look forward to working with the Council in future years to bring the site forward.

We will not be formally attending the hearings but may have a representative present on the appropriate days.

Regards

Alban
