## **Pay Policy Statement**

As at 28<sup>th</sup> February 2022

#### 1. Purpose of the Policy

Under section 112 of the Local Government Act 1972, the Council has the "power to appoint officers on such reasonable terms and conditions as the authority thinks fit". This Pay Policy sets out the Council's approach to pay in accordance with the requirements of Section 38 of the Localism Act 2011.

The purpose of the statement is to provide transparency with regard to the Council's approach to setting the pay of its employees by identifying;

- The methods by which salaries of all employees are determined
- The details of the remuneration of its most senior employees, i.e. Chief Officers
- The relationship between the salary of its Chief Officers and other employees

#### 2. Other legislation relevant to pay and remuneration

In determining the pay and remuneration of its employees the Council will comply with all relevant employment legislation. This includes legislation such as the Equality Act 2010, the Parttime Employment (Prevention of Less Favourable Treatment) Regulations 2000 and where relevant, the Collective Redundancies and Transfer of Undertakings (Protection of Employment) (Amendment) Regulations 2014. The Council ensures that there is no pay discrimination within its pay structures and that pay differentials can be objectively justified through the use of job evaluation mechanisms, which directly establish the relative level of posts in grades according to the requirements, demands and responsibilities of the role.

The Council operates the GLPC (Greater London Provincial Council) Scheme for all posts up to and including spinal column point 49. All posts above spinal column point 49 have been job evaluated using HAY, which includes comparative benchmarking data from other local authorities. An Equality Impact Assessment has been undertaken in relation to the Council's grading structure.

#### 3. Pay Structure

The Council complies with the nationally negotiated spinal column points for all posts up to and including spinal column point 43, which is detailed at Appendix A. Posts above spinal column point 43 are detailed at Appendix B.

The salary increase for all posts within the Council is set nationally, through collective bargaining between the National Employers and Trade Unions. The pay and grading structure for the majority of posts was established as part of the Pay Policy 2007. This Policy was approved by the Council in 2007 and addressed the Council's approach to the job evaluation of posts and the harmonisation of key terms and conditions of employment. Since 2007, all newly created posts and posts that have varied are subject to evaluation against the Job Evaluation Scheme.

Where evidence exists of recruitment and retention issues it may be necessary to make additional temporary payments to take account of external pay levels in the labour market in order to attract and retain employees with particular skills, knowledge and experience. In such instances the Council will use evidence of relevant market comparators, using data sources available from within the local government sector and outside, as appropriate.

The Hutton report, entitled Fair Pay in the Public Sector, contained a recommendation that the Chief Executive's salary should not exceed 20 times that of the lowest pay in the organisation. At Rossendale Borough Council, the pay multiple between the Chief Executive's pay and the lowest paid employee is 1 to 5.9 which falls within this recommended range.

#### **12.** Lowest Paid Employees

The lowest grade on the pay structure is Grade 1 (SCP 1-3) £18,328 - £18,562. The Council became a Foundation Living Wage employer on 1<sup>st</sup> April 2013, and adopts a minimum hourly pay rate of £9.50 per hour.

The lowest paid group of employees are the cleaners appointed Foundation Living Wage.

#### **13. Termination Payments**

The Council's Redundancy Policy applies equally to all employees regardless of their grade. A redundancy payment will be paid to an employee when their post is made redundant and there are no suitable redeployment opportunities.

The Council does not have any policy which allows for early retirement or which allows for any increase or any enhancing of an employee's pensionable service.

#### 14. Employer Pension Contribution

The Council contributes to the Local Government Pension Scheme in 2021/22 for all its employees who are members equally at the rate of 17.6% of an employee's salary. This rate of contribution is set by Actuaries advising the Lancashire Pension Fund and is reviewed on a triennial basis.

#### **15. Employee Pension Contribution**

Employees in the Local Government Pension Scheme will pay the following annual contributions as at 1<sup>st</sup> April 2021, based upon their pensionable pay:

|---------------------|-------------------|
| Up to £14,600       | 5.5%              |

#### **16. Engagement of Former Chief Officers in receipt of Pensions**

The Council does not have a policy which prevents former Council employees including Chief Officers from applying for and being successfully appointed to any Council job or returning under a contract for service, because they are in receipt of a Public Sector or Local Government Pension. Normal recruitment and selection processes would apply in line with the Council's Equalities Policy or normal procurement rules would apply.

#### **17.** Publication of the Policy

The Policy will be published on the Council's Website.

In addition, for posts where the fulltime equivalent salary is at least £50,000, the Council's Annual Statement of Account will include a note setting out the total amount of:

- salary, fees or allowances paid to or receivable by the person in the current and previous year;
- any bonuses so paid or receivable by the person in the current and previous year;
- any sums payable by way of expenses allowance that are chargeable to UK income tax;
- any compensation for loss of employment and any other payments connected with termination of employment
- any benefits received that do not fall within the above.

The information set out within this pay policy complements the data the Council is required to publish separately under the Code of Recommended Practice for Local Authorities on Data Transparency and by the Accounts and Audit (England) Regulations 2011.

#### 18. Review of Pay Policy

The Policy will be subject to annual review and must be approved by the Council prior to 31<sup>st</sup> March each year. If there is a need to amend the Policy between reviews, then any such amendments will be considered by the Cabinet, prior to approval by the Council.
