

Audit Strategy and Completion Report

Rossendale Borough Council – Year ended 31 March 2025

February 2025

Audit and Accounts Committee
Rossendale Borough Council
Future Park
Bacup

18 February 2026

Dear Committee Members,

Audit Strategy and Completion Report – Year ended 31 March 2025

We are pleased to present our Audit Strategy and Completion Report for Rossendale Borough Council for the year ended 31 March 2025. The purpose of this document is to summarise our audit and to explain how the statutory backstop arrangements introduced by the Accounts and Audit (Amendment) Regulations 2024, have affected the completion of our work and the reporting consequences. We consider two-way communication with you to be key to a successful audit and particularly important in the context of the backstop arrangements as it facilitates:

- reaching a mutual understanding of the scope of the audit and the responsibilities of each of us;
- sharing information to assist each of us to fulfil our respective responsibilities; and
- providing you with constructive observations arising from the audit process even though this has been curtailed by the backstopped arrangements.

We would usually report the results of our planning work, including the significant risks identified and our planned procedures, in our Audit Strategy Memorandum. The results of our audit, including significant matters identified would usually be reported to you in our Audit Completion Report. As a result of the backstop arrangements, we have determined that the most appropriate way to communicate each of the matters required under auditing standards, in this single Audit Strategy and Completion Report.

As it is a fundamental requirement that an auditor is, and is seen to be, independent of audited bodies, section 7 of this document summarises our considerations and conclusions on our independence as auditors.

We appreciate the courtesy and co-operation extended to us by Rossendale Borough Council throughout our audit. We would be happy to discuss the contents of this report, or any other matters regarding our audit, with you in more detail.

We will continue to work closely with you and management to take the necessary steps to rebuild assurance over future accounting periods. At previous meetings of this Committee, we provided a summary of our plans to rebuild assurance in accordance with guidance issued by the National Audit Office and endorsed by the Financial Reporting Council. We will provide more details as part of our 2025/26 Audit Strategy Memorandum. We would happy to discuss any questions you have in relation to rebuilding.

Yours faithfully

Alastair Newall

Forvis Mazars LLP

Our reports are prepared in the context of the 'Statement of Responsibilities of auditors and audited bodies' and the 'Appointing Person Terms of Appointment' issued by Public Sector Audit Appointments Limited.
Reports and letters prepared by appointed auditors and addressed to the Council are prepared for the sole use of the Council and we take no responsibility to any member or officer in their individual capacity or to any third party.

01

Our audit and the implications of the statutory backstop

Our audit and the implications of the statutory backstop

We are appointed to perform the external audit of Rossendale Borough Council for the year to 31 March 2025. The scope of our engagement is set out in the Statement of Responsibilities of Auditors and Audited Bodies, issued by Public Sector Audit Appointments Ltd (PSAA) available from the [PSAA website](#)

Our audit of the financial statements

The detailed scope of our work as your appointed auditor for 2024/25 is set out in the National Audit Office's (NAO) Code of Audit Practice ('the Code'). Our responsibilities and powers are derived from the Local Audit and Accountability Act 2014 ("the 2014 Act").

We are appointed to audit the financial statements in accordance with International Standards on Auditing (UK). Under normal circumstances, our objectives would be to form and express an opinion on whether the financial statements present a true and fair view of the Council's financial affairs for the year and whether they have been prepared, in all material respects, in accordance with the Code of Practice on Local Authority Accounting.

A range of factors have led to a backlog in financial reporting in recent years. Legislation passed by government in 2024 (the Accounts and Audit (Amendment) Regulations 2024) addresses the backlog by introducing a 'backstop date' for the publication of financial statements, even if the audits had not been completed. This is intended to enable the sector to focus on the current financial position rather than historic information.

As a result of historical issues and delays in completing audits in earlier years, we issued a disclaimed opinion on your financial statements for the 2018/19 to 2023/24 financial years. This meant we did not express an opinion on those financial statements, and as such we do not have assurance over the opening balances in the 2024/25 financial statements. Section 3 provides further information on the procedures we have undertaken to issue a disclaimer of opinion in advance of the backstop date for 2024/25.

The NAO published Local Audit Reset and Recovery Implementation Guidance (LARRIG) 06 in June 2025. This guidance sets out the procedures auditors may undertake to obtain sufficient appropriate evidence over opening balances when previous year's audits have been disclaimed. The guidance acknowledges that how long it will take to rebuild assurance will vary between audit engagements and according to each audit's particular circumstances.

It has not been possible to complete sufficient procedures as part of the current year's audit to enable us to issue a non-disclaimed opinion. For this reason, we will be issuing a disclaimed opinion in time for the Council to publish its financial statements by the backstop date of 27 February 2026 as required by the relevant legislation. We have included our proposed audit report in Appendix B.

When an opinion is disclaimed the auditor does not express an opinion on the financial statements and, consequently, no assurance is provided on the financial statements.

Responsibilities in respect of fraud and internal control

The responsibility for safeguarding assets and for preventing and detecting fraud, error and non-compliance with law or regulations rests with both Those Charged With Governance and management. This includes establishing and maintaining internal controls over compliance with relevant laws and regulations, and the reliability of financial reporting. As part of our audit procedures in relation to fraud we are required to inquire of members of the Audit and Accounts Committee and including key management as to their knowledge of instances of fraud, the risk of fraud and their views on internal controls that mitigate the fraud risks.

Management is also responsible for such internal control as it determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Despite our intention to issue a disclaimer of opinion, where matters come to our attention through the course of our audit, we may be required to report these to you. Auditing (UK), we plan and perform our audit so as to obtain reasonable assurance that the financial statements taken as a whole are free from material misstatement, whether caused by fraud or error. However, our audit should not be relied upon to identify all such misstatements.

Wider reporting and electors' rights

The 2014 Act requires us to give an elector, or any representative of the elector, the opportunity to question us about the accounts of the Council and consider objections made to the accounts. We also have a broad range of reporting responsibilities and powers under the 2014 Act. We confirm that no such correspondence from electors has been received.

Value for Money arrangements

The legislation passed to address the financial reporting backlog does not affect our responsibilities in relation to the Council's Value for Money arrangements. We are responsible for forming a view on the arrangements that the Council has in place to secure economy, efficiency and effectiveness in its use of resources. We discuss our approach to Value for Money work and our findings further in section 6 of this report.

Whole of Government Accounts Reporting to the group

We anticipate completing the work to enable us to submit the assurance statement to the NAO. However, we have not yet received group audit instructions from the NAO and so are unable to conclude whether any work is required in this area.

Our audit approach

Our audit approach

Audit scope

Our audit approach is designed to provide an audit that complies with all professional requirements. Our audit of the financial statements has been conducted in accordance with International Standards on Auditing (UK), relevant ethical and professional standards, our own audit methodology, and in accordance with the Code of Audit Practice. We have also had regard to the Local Audit Reset and Recovery Implementation Guidance ('LARRIG') issued by the National Audit Office and endorsed by the Financial Reporting Council in delivering our audit in the context of the backstop arrangements introduced by the 2024 amendments to the Accounts and Audit Regulations.

Our approach to the audit of the financial statements

We have not carried out all the work necessary to issue a detailed audit plan and to complete all the required audit procedures to provide an opinion on the financial statements. The procedures undertaken this year are sufficient to enable us to comply with International Standards on Auditing (UK) and issue our audit report in respect of the current year's financial statements to allow the Council to meet the backstop date of 27 February 2026 for publishing the financial statements and other relevant information.

We summarise below, the work we have undertaken to inform our audit strategy and our determination that it is necessary to issue a disclaimer of opinion on the Council's financial statements. As we have not completed all our planning procedures, including all risk assessment work, we do not include a summary of significant and enhanced risks as part of this report.

Area of the audit	Summary of our procedures
Acceptance and continuance	We have carried out all acceptance and continuance procedures including consideration of: <ul style="list-style-type: none">• The financial reporting framework adopted by the Council and the existence of any unusual or controversial accounting policies• The form, timing and expected content of our communication with members of the Audit and Accounts Committee• Any actual or potential threats to our independence• The existence of any other factors that indicate we should not continue as the Council's auditor
Understanding the entity	We have carried out audit procedures to understand and document our understanding of the Council across a range of areas, including but not limited to: <ul style="list-style-type: none">• The Council's structure, including its wider group• Key accounting policies• Accounting estimates• The use of experts
Control environment assessment	We have documented our consideration of the Council's control environment. We carry out this work to inform both our work on the financial statements and as an element of our Value for Money arrangements risk assessment work.
Fraud	We have carried out work on identifying potential fraud risks and made specific inquiries of management and members of the Audit and Accounts Committee in respect of actual, potential or suspected fraud.
Materiality	We have considered the application of materiality for the audit of the Council's financial statements. Further details on the materiality thresholds determined, is included later in this section of our report.

Our audit approach

Area of the audit	Summary of our procedures
Laws and regulations	We have obtained an understanding of the legal and regulatory framework applicable to the Council and made specific inquiries with management and members of the Audit and Accounts Committee in respect of any instances of noncompliance with laws and regulations.
Written representations	We have requested certain written representations from management in accordance with ISA (UK) 580. The draft management letter of representation is provided in Appendix A.
Completion, review and reporting	<p>We have undertaken sufficient review procedures to ensure our audit complies with the requirements of ISA (UK) 230. This includes specific work to document our consideration of the implications of the backstop arrangements on our audit and the reporting implications.</p> <p>We have also considered whether any matters have come to our attention that we deem should be reported to members of the Audit and Accounts Committee or that may be relevant to our auditor’s report. Such matters may include misstatements identified in the draft financial statements or internal control recommendations.</p> <p>As we intend to issue a disclaimer of opinion, additional quality and risk management processes have also been followed.</p>

04

Materiality

Materiality

Definitions

Materiality is an expression of the relative significance or importance of a particular matter in the context of the financial statements as a whole.

Misstatements in the financial statements are considered to be material if they could, individually or in aggregate, reasonably be expected to influence the economic decisions of users based on the financial statements.

Our approach to determining materiality

Although we intend to issue a disclaimer of opinion on the financial statements as a result of the backstop arrangements, we are required to determine materiality and communicate this to members of the Audit and Accounts committee.

We determine materiality for the financial statements as a whole (overall materiality) using a benchmark that, in our professional judgement, is most appropriate to entity. We also determine an amount less than materiality (performance materiality), which is applied when we carry out our audit procedures and is designed to reduce to an appropriately low level the probability that the aggregate of uncorrected and undetected misstatements exceeds overall materiality. Further, we set a threshold above which all misstatements we identify during our audit (adjusted and unadjusted) will be reported to members of the Audit and Accounts committee.

Judgements on materiality are made in light of surrounding circumstances and are affected by the size and nature of a misstatement, or a combination of both. Judgements about materiality are based on a consideration of the common financial information needs of users as a group and not on specific individual users.

An assessment of what is material is a matter of professional judgement and is affected by our perception of the financial information needs of the users of the financial statements. In making our assessment we assume that users:

- Have a reasonable knowledge of business, economic activities, and accounts;
- Have a willingness to study the information in the financial statements with reasonable diligence;
- Understand that financial statements are prepared, presented, and audited to levels of materiality;
- Recognise the uncertainties inherent in the measurement of amounts based on the use of estimates, judgement, and consideration of future events; and
- Will make reasonable economic decisions based on the information in the financial statements.

We consider overall materiality and performance materiality while planning and performing our audit based on quantitative and qualitative factors. When planning our audit, we make judgements about the size of misstatements we consider to be material. This provides a basis for our risk assessment procedures, including identifying and assessing the risks of material misstatement, and determining the nature, timing and extent of our responses to those risks.

The overall materiality and performance materiality that we determine does not necessarily mean that uncorrected misstatements that are below materiality, individually or in aggregate, will be considered immaterial.

We revise materiality as our audit progresses should we become aware of information that would have caused us to determine a different amount had we been aware of that information at the planning stage.

Materiality and misstatements

Materiality (continued)

We consider that gross expenditure at deficit level is the key focus of users of the financial statements and, as such, we base our materiality levels around this benchmark.

We set a materiality threshold of 2% of gross revenue expenditure at the surplus/deficit on provision of services level.

As set out in the table below, we set overall materiality for the year ended 31 March 2025 to be £745k (£747k in the prior year), and performance materiality to be in the region of £447k (£448k in the prior year).

	2024-25 £'000s	2023-24 £'000s
Overall materiality	745	747
Performance materiality	447	448
Clearly trivial	22	22
Specific materiality	5	5

Misstatements

We accumulate misstatements identified during our audit that are above our determined clearly trivial threshold.

We have set a clearly trivial threshold for individual misstatements we identify (a reporting threshold) for reporting to you and management that is consistent with a threshold where misstatements below that amount would not need to be accumulated because we expect that the accumulation of such amounts would not have a material effect on the financial statements.

Based on our assessment of overall materiality, our clearly trivial threshold is £22k, based on 3% of overall materiality. If you have any queries about this, please raise these with me.

We are required to report each misstatement above the reporting threshold that we identify. Misstatements can be classified as:

- **Adjusted:** Those misstatements that we identify and are corrected by management.
- **Unadjusted:** Those misstatements that we identify that are not corrected by management.

Reporting

Due to the backstop, we have not undertaken substantive testing procedures on any balances or transactions reported in the accounts. Consequently, there are no misstatements to report.

05

Significant findings

Significant findings

Background and modification of the audit opinion

As part of our longer-term approach to rebuilding assurance, we have not completed sufficient audit procedures as part of the current year's audit to enable us to provide an unmodified opinion on the Council's financial statements. As we have determined that the effects, or potential effects, on the financial statements of the lack of sufficient appropriate evidence are pervasive, we will be issuing a disclaimed opinion which means we are expressing no opinion on the financial statements.

Appendix B sets out our draft audit report which explains the basis of our disclaimer of opinion being the fact we will not have been able to rebuild assurance in respect of opening balances by 27 February 2026 after issuing a disclaimed opinion in previous years as a result of the backstop arrangements.

Members will note that the draft audit report does not report on other matters that would usually appear in an unmodified audit report. These include:

- the use of the going concern assumption in the preparation of the financial statements; and
- the consistency of the other information presented with the financial statements.

Although we are disclaiming our audit opinion, auditing standards require us to report matters to you that have come to our attention during the course of our audit, which we include in this section of this report.

Wider responsibilities

Our powers and responsibilities under the 2014 Act are broad and include the ability to:

- issue a report in the public interest;
- make statutory recommendations that must be considered and responded to publicly;
- apply to the court for a declaration that an item of account is contrary to law; and
- issue an advisory notice under schedule 8 of the 2014 Act.

We have not exercised any of these powers as part of our 2024/25 audit. The 2014 Act also gives rights to local electors and other parties, such as the right to ask questions of the auditor and the right to make an objection to an item of account. No such objections have been raised.

Significant matters discussed with management

Based on our review of the information received, we have no matters to report in relation to fraud and the Council's compliance with laws and regulations. We have not undertaken any further work in these areas and do not provide any assurance that the financial statements are free from material error .

Significant difficulties during the audit

During the course of the audit we did not encounter any significant difficulties and we have had the full co-operation of management.

06

Value for Money arrangements

Value for Money arrangements

Approach to Value for Money arrangements

We are required to form a view as to whether the Council has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. The NAO issues guidance to auditors that underpins the work we are required to carry out in order to form our view and sets out the overall criterion and sub-criteria that we are required to consider.

This is the first audit year where we have undertaken our value for money (VFM) work under the full 2024 Code of Audit Practice (the Code). Our responsibility remains to be satisfied that the Council has proper arrangements in place, and to report in the auditor's report where we are not satisfied that arrangements are in place. Where we have issued a recommendation in relation to a significant weaknesses this indicates we are not satisfied that arrangements are in place. Separately we provide a commentary on the Council's arrangements in the Auditor's Annual Report.

A key change in the 2024 Code of Audit Practice is the requirement for us to issue our Auditor's Annual Report for the year ending 31st March 2025 to you in draft by the 30th November 2025. This is required whether our audit is complete or not. Should our work not be complete, we will report the status of our work and any findings to up to that point (and since the issue of our previous Auditor's Annual Report).

The Code requires us to structure our commentary to report under three specified criteria:

- **Financial sustainability** - How the Council plans and manages its resources to ensure it can continue to deliver its services;
- **Governance** – How the Council ensures that it makes informed decisions and properly manages its risks; and
- **Improving economy, efficiency and effectiveness** - How the Council uses information about its costs and performance to improve the way it manages and delivers its services.

At the planning stage of the audit, we undertake work to understand the arrangements that the Council has in place under each of the reporting criteria and we identify risks of significant weaknesses in those arrangements. Although we describe this work as planning work, we keep our understanding of arrangements under review and update our risk assessment throughout the audit to reflect emerging issues that may suggest significant weaknesses in arrangements exist.

The table overleaf outlines the risks of significant weaknesses in arrangements that we have identified, the risk-based procedures we have undertaken, and the results of our work.

Where our risk-based procedures identify actual significant weaknesses in arrangements we are required to report these and make recommendations for improvement. Where such significant weaknesses are identified, we report these in the audit report by exception. We will also highlight emerging issues or other matters that do not represent significant weaknesses but still require attention from the Council.

The primary output of our work on the Council arrangements is the commentary on those arrangements that forms part of the Auditor's Annual Report. This commentary will provide a summary of the work we have undertaken and our judgements against each of the specified reporting criteria. We intend to issue the Auditor's Annual Report by the end of February 2026.

Status of our work

We have completed our work in respect of the Council's arrangements for the year ended 31 March 2025 and we have identified one remaining significant weakness from the prior year. We are satisfied the other significant weakness previously identified has been appropriately addressed in 2024/25. We provide further details on the identified significant weaknesses and our recommendations on the following pages.

Our draft audit report at Appendix B confirms that we have matters to report in respect of the significant weakness identified. As noted above, our commentary on the Council's arrangements will be provided in the Auditor's Annual Report by the end of February 2026.

Value for Money

Follow up of previously-reported significant weaknesses in arrangements

In 2020/21 we reported two significant weaknesses to the Council. As part of our work in 2024/25, we followed up the progress made by the Council against the recommendations made and determined whether the significant weakness remained during the year.

Significant weakness in arrangements	Financial Sustainability	Governance	Improving the 3Es	Work Undertaken and Conclusions Reached
<p>Financial Sustainability</p> <p>The Council's budgets for 2020/21, 2021/22 and 2022/23 all relied upon the use of reserves to bridge funding gaps. In addition, the Council's outturn position for each of these years were overspent. The Medium Term Financial Strategy (presented to Council in February 2023) projected funding gaps in 2024/25, 2025/26 and 2026/27 of £857k, £1,514k and £1,564k. The growing deficit is forecast to exhaust the Council's General Fund reserve by 2025/26, which is evidence of an unsustainable reliance on reserves and a lack of action to address the underlying reasons for persistent overspending.</p> <p>In our view the failure to address the underlying deficit is evidence of a significant weakness in the Council's arrangements for financial sustainability (how the Council plans to bridge its funding gaps and identify achievable savings) in 2020/21, 2021/22 and 2022/23.</p>	●	●		<p>Progress against the recommendation</p> <p>The Council has made good progress against this recommendation in 2024/25. There was an underspend of the budget by £800k. This has allowed a positive contribution to reserves of £230k. 2024/25 is the second year of underspends and contributions to reserves the Council has delivered.</p> <p>The Council has performed an assessment of the affordability of their services and improved their budget setting process. Where funding gaps are identified the Council has identified additional savings and income to mitigate the use of reserves. Quarterly finance updates are reported to Cabinet which clearly set out the forecasted outturn, savings and impact on reserves.</p> <p>Conclusions</p> <p>We conclude the Council has addressed the recommendation and has proper arrangements in place for 2024/25.</p>

Value for Money

Follow up of previously-reported significant weaknesses in arrangements - continued

Significant weakness in arrangements	Financial Sustainability	Governance	Improving the 3Es	Work Undertaken and Conclusions Reached
<p>Partnership with Rossendale Leisure Trust</p> <p>Rossendale Leisure Trust (the Trust) manages a number of the Council's leisure facilities and has done since 2004. During the period 2020/21, 2021/22 and 2022/23, the Council paid for pay and non-pay expenditure incurred by the Trust.</p> <p>During and following the COVID-19 pandemic the Council gave revenue financial support to the Trust including lease payment holidays and grant allocations, this has resulted in a significant balance currently being owed to the Council by the Trust. We have seen no evidence of a repayment plan to repay the debt and the Council has not accounted for any impairment of the balance.</p> <p>Officers have confirmed there is no formal overarching agreement or contract between the Council and the Trust. For a partnership of this size and nature we would expect to see a comprehensive, signed agreement in place that aims to protect the Council's interests. This deficiency in arrangements for the provision of leisure services is evidence of significant weaknesses in the Council's arrangements for governance (how the body ensures it makes properly informed decisions, supported by appropriate evidence) and for improving economy, efficiency and effectiveness (how the Council ensures that commissioned services realise the expected benefits), in 2020/21, 2021/22 and 2022/23.</p>	●		●	<p>Progress against the recommendation</p> <p>The Council has commissioned a strategic review to assess the terms of the current arrangement. The Council plans to put in place an operational agreement following the conclusion of this review.</p> <p>The balance owed to the Council has remained static in 2024/25, £1.3m as at March 2025 and there is no repayment agreement in place. The Council plans to incorporate this in the agreement with RLT following the strategic review.</p> <p>No impairment of this balance has been accounted for, following the Trust forecasting a small surplus.</p> <p>Whilst the Council has taken some action against the recommendation previously issued, by setting up a strategic review. In our view the action taken to date does not address our recommendation.</p> <p>Conclusions</p> <p>We consider this weakness has not been addressed and still exists for 2024/25.</p>

07

Confirmation of our independence

Confirmation of our independence

Requirements

We comply with the International Code of Ethics for Professional Accountants, including International Independence Standards issued by the International Ethics Standards Board for Accountants together with the ethical requirements that are relevant to our audit of the financial statements in the UK reflected in the ICAEW Code of Ethics and the FRC Revised Ethical Standard.

Compliance

We are not aware of any relationship between Forvis Mazars and Rossendale Borough Council that, in our professional judgement, may reasonably be thought to impair our independence.

We are independent of Rossendale Borough Council and have fulfilled our independence and ethical responsibilities in accordance with the requirements applicable to our audit.

Non-audit and Audit fees

We have set out a summary of the non-audit services provided by Forvis Mazars (with related fees) to Rossendale Borough Council, together with our audit fees and independence assessment.

We are committed to independence and confirm that we comply with the FRC's Revised Ethical Standard. In addition, we have set out in this section any matters or relationships we believe may have a bearing on our independence or the objectivity of our audit team.

Based on the information provided by you and our own internal procedures to safeguard our independence as auditors, we confirm that in our professional judgement there are no relationships between us and any of our related or subsidiary entities, and you and your related entities, that create any unacceptable threats to our independence within the regulatory or professional requirements governing us as your auditors.

We have policies and procedures in place that are designed to ensure that we carry out our work with integrity, objectivity, and independence. These policies include:

- All partners and staff are required to complete an annual independence declaration.
- All new partners and staff are required to complete an independence confirmation and complete annual ethical training.
- Rotation policies covering audit engagement partners and other key members of the audit team.
- Use by managers and partners of our client and engagement acceptance system, which requires all non-audit services to be approved in advance by the audit engagement partner.

We confirm, as at the date of this report, that the engagement team and others in the firm as appropriate, Forvis Mazars LLP are independent and comply with relevant ethical requirements. However, if at any time you have concerns or questions about our integrity, objectivity or independence, please discuss these with me in the first instance.

Prior to the provision of any non-audit services, I will undertake appropriate procedures to consider and fully assess the impact that providing the service may have on our independence as auditor.

Principal threats to our independence and the associated safeguards we have identified and/ or put in place are set out in Terms of Appointment issued by PSAA available from the PSAA website: [Terms of Appointment from 2023/24 - PSAA](#). Any emerging independence threats and associated identified safeguards will be communicated in our Audit Completion Report.

B: Draft audit report

C: Key Communication points

Appendix A: Draft management representation letter

Forvis Mazars LLP
One St Peter's Square
Manchester
M2 3DE

Dear Alastair,

Rossendale Borough Council - Audit for Year Ended 31 March 2025

This representation letter is provided in connection with your audit of the financial statements of Rossendale Borough Council for the year ended 31 March 2025. I note that you intend to issue a disclaimer of opinion in respect of your audit. I understand I am still required to provide the representations set out in this letter so you can complete your audit in accordance with relevant auditing standards.

I confirm that the following representations are made on the basis of enquiries of management and staff with relevant knowledge and experience (and, where appropriate, inspection of supporting documentation) sufficient to satisfy ourselves that I can properly make each of the following representations to you.

My responsibility for the financial statements and accounting information

I believe that I have fulfilled my responsibilities for the true and fair presentation and preparation of the financial statements in accordance with the Code, as amended by the Code Update and applicable law.

My responsibility to provide and disclose relevant information

I have provided you with:

- access to all information of which I am aware that is relevant to the preparation of the financial statements such as records, documentation and other material;
- additional information that you have requested from us for the purpose of the audit; and
- unrestricted access to individuals within the Council you determined it was necessary to contact in order to obtain audit evidence.

I confirm as s151 officer that I have taken all the necessary steps to make me aware of any relevant audit information and to establish that you, as auditors, are aware of this information.

As far as I am aware there is no relevant audit information of which you, as auditors, are unaware.

Accounting records

I confirm that all transactions that have a material effect on the financial statements have been recorded in the accounting records and are reflected in the financial statements. All other records and related information, including minutes of all Council and committee meetings, have been made available to you.

Appendix A: Draft management representation letter

Accounting policies

I confirm that I have reviewed the accounting policies applied during the year in accordance with International Accounting Standard 8 and consider these policies to faithfully represent the effects of transactions, other events or conditions on the Council's financial position, financial performance and cash flows.

Accounting estimates, including those measured at current and/or fair value

I confirm that the methods, significant assumptions and the data used by the Council in making the accounting estimates, including those measured at current and/or fair value, are appropriate to achieve recognition, measurement or disclosure that is in accordance with the applicable financial reporting framework.

Contingencies

There are no material contingent losses including pending or potential litigation that should be accrued where:

- information presently available indicates that it is probable that an asset has been impaired or a liability had been incurred at the balance sheet date; and
- the amount of the loss can be reasonably estimated.

There are no material contingent losses that should be disclosed where, although either or both the conditions specified above are not met, there is a reasonable possibility that a loss, or a loss greater than that accrued, may have been incurred at the balance sheet date.

There are no contingent gains which should be disclosed.

All material matters, including unasserted claims, that may result in litigation against the Council have been brought to your attention. All known actual or possible litigation and claims whose effects should be considered when preparing the financial statements have been disclosed to you and accounted for and disclosed in accordance with the Code, as amended by the Code Update and applicable law.

Laws and regulations

I confirm that I have disclosed to you all those events of which I am aware which involve known or suspected non-compliance with laws and regulations, together with the actual or contingent consequences which may arise therefrom.

The Council has complied with all aspects of contractual agreements that would have a material effect on the accounts in the event of non-compliance.

Fraud and error

I acknowledge my responsibility as s151 Officer for the design, implementation and maintenance of internal control to prevent and detect fraud and error and I believe I have appropriately fulfilled those responsibilities.

Appendix A: Draft management representation letter

I have disclosed to you:

- all the results of my assessment of the risk that the financial statements may be materially misstated as a result of fraud;
- all knowledge of fraud or suspected fraud affecting the Council involving:
 - o management and those charged with governance;
 - o employees who have significant roles in internal control; and
 - o others where fraud could have a material effect on the financial statements.

I have disclosed to you all information in relation to any allegations of fraud, or suspected fraud, affecting the Council's financial statements communicated by employees, former employees, analysts, regulators or others.

Related party transactions

I confirm that all related party relationships, transactions and balances, have been appropriately accounted for and disclosed in accordance with the requirements of the Code, as amended by the Code Update and applicable law.

I have disclosed to you the identity of the Council's related parties and all related party relationships and transactions of which I am aware.

Impairment review

To the best of my knowledge, there is nothing to indicate that there is a permanent reduction in the recoverable amount of the property, plant and equipment and intangible assets below their carrying value at the balance sheet date. An impairment review is therefore not considered necessary.

Charges on assets

All the Council's assets are free from any charges exercisable by third parties except as disclosed within the financial statements.

Future commitments

The Council has no plans, intentions or commitments that may materially affect the carrying value or classification of assets and liabilities or give rise to additional liabilities.

Service Concession Arrangements

I am not aware of any material contract variations, payment deductions or additional service charges in 2024/25 in relation to the Council's service concession arrangements that you have not been made aware of.

Subsequent events

I confirm all events subsequent to the date of the financial statements and for which the Code, as amended by the Code Update and applicable law, require adjustment or disclosure have been adjusted or disclosed.

Should further material events occur after the date of this letter which may necessitate revision of the figures included in the financial statements or inclusion of a note thereto, I will advise you accordingly.

Appendix A: Draft management representation letter

Impacts of Russian Forces entering Ukraine

I confirm that I have carried out an assessment of the potential impact of Russian Forces entering Ukraine on the Council, including the impact of mitigation measures and uncertainties, and that the disclosure in the Annual Report and the subsequent events note to the financial statements fairly reflects that assessment.

Tariffs

I confirm that I have carried out an assessment of the potential impact of changes in US trade policy in respect of tariffs, including the impact of reciprocal tariffs by other countries, including the impact of mitigation measures and uncertainties, and that the disclosure in the Narrative Report and the subsequent events note to the financial statements fairly reflects that assessment.

Going concern

To the best of my knowledge there is nothing to indicate that the Council will not continue as a going concern in the foreseeable future. The period to which I have paid particular attention in assessing the appropriateness of the going concern basis is not less than twelve months from the date of approval of the accounts.

Annual Governance Statement

I am satisfied that the Annual Governance Statement (AGS) fairly reflects the Council's risk assurance and governance framework and I confirm that I am not aware of any significant risks that are not disclosed within the AGS.

Narrative Report

The disclosures within the Narrative Report fairly reflect my understanding of the Council's financial and operating performance over the period covered by the financial statements.

Arrangements to achieve economy, effectiveness and efficiency in Use of Resources (Value for Money arrangements)

I confirm that I have disclosed to you all findings and correspondence from regulators for previous and ongoing inspections of which I am aware. In addition, I have disclosed to you any other information that would be considered relevant to your work on value for money arrangements.

Yours faithfully,

Chris Warren

S151 Officer

Date

Appendix B: Draft audit report

Independent auditor's report to the members of Rossendale Borough Council

Report on the audit of the financial statements

Disclaimer of opinion on the financial statements

We were appointed to audit the financial statements of Rossendale Borough Council ("the Council") for the year ended 31 March 2025, which comprise the Comprehensive Income and Expenditure Statement, the Movement in Reserves Statement, the Balance Sheet, the Cash Flow Statement, and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2024/25.

We do not express an opinion on the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

Basis for disclaimer of opinion

On 30 September 2024, the Accounts and Audit (Amendment) Regulations 2024 ('The Amendment Regulations') came into force. The Amendment Regulations specify the date by which the Council is required to publish its Accountability Statements, which include the financial statements and the auditor's opinion, for each financial year. The Council is required to publish its Accountability Statements for the year ended 31 March 2025, by 27 February 2026 ('the 2026 backstop date').

On 26 February 2025 we issued a disclaimer of opinion in relation to the financial statements for the year ended 31 March 2024. Previously on 6 December 2024 we issued disclaimers of opinion for the years ended 31 March 2019 to 31 March 2023. The disclaimers of opinions were issued as there was insufficient time to perform all necessary audit procedures to obtain sufficient appropriate evidence upon which to form an opinion before the relevant backstop dates specified in the Amendment Regulations.

The National Audit Office issued guidance to auditors on rebuilding assurance following backstop-related disclaimers of opinion through Local Audit Reset and Recovery Implementation Guidance 06 ("LARRIG 06") in June 2025. We have had regard to LARRIG 06 and other relevant guidance and determined that there is not sufficient time to carry out the procedures we deem necessary to rebuild assurance. As a result, we are not able to obtain sufficient appropriate evidence upon which to form an opinion on the financial statements for the year ended 31 March 2025 before the 2026 backstop date.

Responsibilities of the Director of Resources for the financial statements

As explained more fully in the Statement of Responsibilities, the Director of Resources is responsible for the preparation of the Statement of Accounts, which includes the financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2024/25, and for being satisfied that they give a true and fair view. The Director of Resources is also responsible for such internal control as the Director of Resources determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The Director of Resources is required to comply with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2024/25 and prepare the financial statements on a going concern basis on the assumption that the functions of the Council will continue in operational existence for the foreseeable future. The Director of Resources is responsible for assessing each year whether or not it is appropriate for the Council to prepare its accounts on the going concern basis and disclosing, as applicable, matters related to going concern.

Appendix B: Draft audit report

Auditor’s responsibilities for the audit of the financial statements

Our responsibility is to conduct an audit of the Council’s financial statements in accordance with International Standards on Auditing (UK) and to issue an auditor’s report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements. In reaching this judgement we have complied with the requirements of the Code of Audit Practice and have had regard to the Local Audit Reset and Recovery Implementation Guidance published by the National Audit Office and endorsed by the Financial Reporting Council.

We are independent of the Council in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC’s Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council’s website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor’s report.

Report on the Council’s arrangements for securing economy, efficiency, and effectiveness in its use of resources

Matter on which we are required to report by exception

We are required to report to you if, in our opinion, we are not satisfied that the Council has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2025.

On the basis of our work, having regard to the guidance issued by the Comptroller and Auditor General in November 2024, we have identified the following significant weakness in the Council’s arrangements for the year ended 31 March 2025.

In March 2024 we identified a significant weakness in relation to Governance and Improving Economy, Efficiency and Effectiveness for the 2020/2021 year. In our view this significant weakness remains for the year ended 31 March 2025:

Significant weakness in arrangements – issued in a previous year	Recommendation
<p>Partnership with Rossendale Leisure Trust During 2020/21 the Council paid for pay and non-pay expenditure incurred by Rossendale Leisure Trust and a significant balance was owed to the Council by the Trust. We have seen no evidence that there is an overarching agreement or contract between the Council and the Trust. This is evidence of a significant weakness in the Council’s arrangements for governance and improving economy, efficiency and effectiveness.</p>	<p>The Council should ensure that there is a comprehensive signed agreement in place between the Council and the Trust. Arrangements should be made to recover the debt owed and a detailed impairment review should be carried out.</p>

Appendix B: Draft audit report

Responsibilities of the Council

The Council is responsible for putting in place proper arrangements to secure economy, efficiency, and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

Auditor's responsibilities for the review of arrangements for securing economy, efficiency, and effectiveness in the use of resources

We are required under Section 20(1)(c) of the Local Audit and Accountability Act 2014 to satisfy ourselves that the Council has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources, and to report where we have not been able to satisfy ourselves that it has done so. We are not required to consider, nor have we considered, whether all aspects of the Council's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

We have undertaken our work in accordance with the Code of Audit Practice, having regard to the guidance issued by the Comptroller and Auditor General in November 2024.

Matters on which we are required to report by exception under the Code of Audit Practice

We are required by the Code of Audit Practice to report to you if:

- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014;
- we make a recommendation under section 24 of the Local Audit and Accountability Act 2014; or
- we exercise any other special powers of the auditor under sections 28, 29 or 31 of the Local Audit and Accountability Act 2014.

We have nothing to report in these respects.

We are also required by the Code of Audit Practice, to give an opinion on whether other information published together with the audited financial statements, is consistent with the financial statements. Because of the matter described in the Basis for Disclaimer of Opinion section we do not express an opinion on the financial statements. We also do not express an opinion on whether other information published together with the audited financial statements is consistent with the financial statements.

Use of the audit report

This report is made solely to the members of Rossendale Borough Council, as a body, in accordance with part 5 of the Local Audit and Accountability Act 2014 and the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. Our audit work has been undertaken so that we might state to the members of the Council those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the members of the Council, as a body, for our audit work, for this report, or for the opinions we have formed.

Delay in certification of completion of the audit

We cannot formally conclude the audit and issue an audit certificate until the National Audit Office (NAO) has communicated the work we are required to undertake as component auditors for the Whole of Government Accounts, and we have received confirmation from the NAO that the group audit of the Whole of Government Account has been completed and that no further work is required to be completed by us.

Alastair Newall, Key Audit Partner

Appendix C: Key communication points

We value communication with members of the Audit and Accounts committee, as a two-way feedback process is at the heart of our client service commitment. The Code of Audit Practice as well as ISA (UK) 260 *Communication with Those Charged with Governance* and ISA (UK) 265 *Communicating Deficiencies In Internal Control To Those Charged With Governance And Management* specifically require us to communicate a number of matters with you. We meet these requirements, principally, through presenting the following documents to you:

- Our Audit Strategy Memorandum;
- Our Audit Completion Report; and
- Our Auditor's Annual Report.

These documents will be discussed with management prior to being presented to you and their comments will be incorporated as appropriate.

Relevant points that need to be communicated with you at each stage of the audit are outlined below.

Key communication points at the planning stage as included in this report

- Our responsibilities in relation to the audit of the financial statements;
- The planned scope and timing of the audit;
- Significant audit risks and areas of management judgement;
- Our commitment to independence;
- Responsibilities for preventing and detecting errors;
- Materiality and misstatements; and
- Fees for audit and other services.

Key communication points included in this report

- Significant deficiencies in internal control;
- Significant findings from the audit;
- Significant matters discussed with management;
- Significant difficulties, if any, encountered during the audit;
- Qualitative aspects of the entity's accounting practices, including accounting policies, accounting estimates and financial statement disclosures;
- Our conclusions on the significant audit risks and areas of management judgement;
- Summary of misstatements;
- Management representation letter;
- Our proposed draft audit report; and
- Independence.

Changes introduced by the 2024 Code of Audit Practice

The 2024 Code now requires the auditor to issue the draft Auditor's Annual Report by 30th November following each year end. For the 2024/25 audit, this means that we were required to issue our draft Auditor's Annual Report by 30 November 2025, whether our audit was complete or not. We issued our draft report on 21 November 2025.

In instances where our audit work is not complete by 30 November for any given year, the 2024 Code requires us to provide a summary of the status of the audit at the time of issuance and should reflect the work completed to date since we issued our previous Auditor's Annual Report. In such instances, we will issue an Interim Auditor's Annual Report to meet the 30 November deadline. On completion of any outstanding financial statement audit work or Value for Money arrangements work, we will re-issue the Auditor's Annual Report which will include an updated commentary on Value for Money arrangements.

Appendix C: Key communication points

ISA (UK) 260 *Communication with Those Charged with Governance*, ISA (UK) 265 *Communicating Deficiencies In Internal Control To Those Charged With Governance And Management* and other ISAs (UK) specifically require us to communicate the following:

Required communication	Where addressed
Our responsibilities in relation to the financial statement audit and those of management and members of the Audit and Accounts Committee.	This document
The planned scope and timing of the audit including any limitations, specifically including with respect to significant risks.	This document
With respect to misstatements: <ul style="list-style-type: none"> • Uncorrected misstatements and their effect on our audit opinion; • The effect of uncorrected misstatements related to prior periods; • A request that any uncorrected misstatement is corrected; and • In writing, corrected misstatements that are significant. 	This document
With respect to fraud communications: <ul style="list-style-type: none"> • Inquiries with the Audit and Accounts Committee to determine whether you have knowledge of any actual, suspected, or alleged fraud affecting the entity; • Any fraud that we have identified or information we have obtained that indicates that fraud may exist; and • A discussion of any other matters related to fraud. 	This document and discussion at Audit and Accounts Committee meetings, audit planning meetings, and audit clearance meetings

Appendix C: Key communication points

Required communication	Where addressed
<p>Significant matters arising during the audit in connection with the entity’s related parties including, when applicable:</p> <ul style="list-style-type: none"> • Non-disclosure by management; • Inappropriate authorisation and approval of transactions; • Disagreement over disclosures; • Non-compliance with laws and regulations; and • Difficulty in identifying the party that ultimately controls the entity. 	<p>This document</p>
<p>Significant findings from the audit including:</p> <ul style="list-style-type: none"> • Our view about the significant qualitative aspects of accounting practices including accounting policies, accounting estimates and financial statement disclosures; • Significant difficulties, if any, encountered during the audit; • Significant matters, if any, arising from the audit that were discussed with management or were the subject of correspondence with management; • Written representations that we are seeking; • Expected modifications to the audit report; and • Other matters, if any, significant to the oversight of the financial reporting process or otherwise identified in the course of the audit that we believe will be relevant to the Council or the Audit and Accounts Committee the context of fulfilling your responsibilities. 	<p>This document</p>

Appendix C: Key communication points

Required communication	Where addressed
Significant deficiencies in internal controls identified during the audit.	This document
Where relevant, any issues identified with respect to authority to obtain external confirmations or inability to obtain relevant and reliable audit evidence from other procedures.	This document
Audit findings regarding non-compliance with laws and regulations where the non-compliance is material and believed to be intentional (subject to compliance with legislation on tipping off) and inquiry of members of the Audit and Accounts Committee into possible instances of non-compliance with laws and regulations that may have a material effect on the financial statements that members of the Audit and Accounts Committee may be aware of.	This document
<p>With respect to going concern, events or conditions identified that may cast significant doubt on the entity's ability to continue as a going concern, including:</p> <ul style="list-style-type: none"> • Whether the events or conditions constitute a material uncertainty; • Whether the use of the going concern assumption is appropriate in the preparation and presentation of the financial statements; and • The adequacy of related disclosures in the financial statements. 	This document
<p>Communication regarding our system of quality management, compliant with ISQM (UK) 1, developed to support the consistent performance of quality audit engagements. To address the requirements of ISQM (UK) 1, our firm's System of Quality Management team completes, as part of an ongoing and iterative process, a number of key steps to assess and conclude on our firm's System of Quality Management:</p> <ul style="list-style-type: none"> • Ensure there is an appropriate assignment of responsibilities under ISQM (UK) 1 and across Leadership • Establish and review quality objectives each year, ensuring ISQM (UK) 1 objectives align with the firm's strategies and priorities • Identify, review, and update quality risks each quarter, taking into consideration the number of input sources (such as FRC / ICAEW review findings, internal monitoring findings, findings from our firm's root cause analysis and remediation functions, etc.) • Identify, design, and implement responses as part of the process to strengthen our firm's internal control environment and overall quality • Evaluate responses and remediate control gaps or deficiencies <p>We perform an evaluation of our system of quality management on an annual basis. Our first evaluation was performed as of 31 August 2023. Details of that assessment and our conclusion are set out in our 2022/2023 Transparency Report, which is available on our website here.</p> <p>The details of our evaluation of our system of quality management as of 31 August 2024, and our conclusion, set out in our 2023/24 Transparency Report, which is available on our website here.</p>	This document

Appendix C: Key communication points

Other communication	Response
 <p>System of Quality Management</p>	<p>To address the requirements of ISQM (UK) 1, our firm’s System of Quality Management team completes, as part of an ongoing and iterative process, a number of key steps to assess and conclude on our firm’s System of Quality Management, including:</p> <ul style="list-style-type: none"> • Ensuring there is an appropriate assignment of responsibilities under ISQM (UK) 1 and across Leadership • Establishing and reviewing quality objectives each year, ensuring ISQM (UK) 1 objectives align with our firm's strategies and priorities • Identifying, reviewing, and updating quality risks each quarter, taking into consideration a number of input sources (such as FRC / ICAEW review findings, internal monitoring findings, findings from our firm’s root cause analysis and remediation functions, etc.) • Identifying, designing, and implementing responses as part of the process to strengthen our firm's internal control environment and overall quality • Evaluating responses and remediating control gaps or deficiencies <p>We perform an evaluation of our system of quality management on an annual basis. Our latest evaluation was performed as of 31 August 2024. Details of that assessment and our conclusion are set out in our 2023/2024 Transparency Report, which is available on our website here.</p>
