

Appendix 2

Statement of Licensing Policy 2008 to 2011

Summary of Changes and Additions to Statement of Licensing Policy.

General.

- All reference to ‘transitional arrangements’ under the Licensing Act have been removed as they are now no longer applicable.
- Reference to specific paragraphs within the Statutory Guidance has been removed. The Guidance has been re-issued in June 2007 with significant alteration and is likely to be amended again in the near future.
- The appendix outlining the ‘model conditions’ has been removed from the Policy. Whilst these conditions are still pertinent, they are contained within the Guidance issued under Section 182 of the Licensing Act 2003.

Specific.

- Foreword by the Mayor of Rossendale.
Removed in its entirety. It requires updating and attributing to the current Mayor when the policy is approved.
- Paragraph 4.6 – 4.8.
Updated statistics inserted
- Paragraph 8.14
Removed this paragraph in its entirety. It referred to the impact of smoking in licensed premises in relation to health issues. This has now been superseded by legislation.
- Paragraph 17.2.
Inserted the statutory period of ten working days to clarify the meaning of the paragraph (request of the British Beer and Pub Association)
