

## **Your chance to influence the Council's work**

Rossendale people are invited to have their say on any local services which affect them and which they feel are in need of improvement. These do not have to be Council-run services.

The role of Rossendale Borough Council's Overview and Scrutiny Committee is to seek to improve the quality of local services and we want to know which services you think would benefit from a scrutiny review and what issues you think need to be addressed.

We want to make sure that over the next 12 months our work specifically reflects the issues that matter to people in Rossendale, and we can only do this if you tell us about your concerns.

Over the last 12 months we have looked at the provision of litter bins, bus shelters, highways and public conveniences.

If you would like to influence the work of Overview and Scrutiny, please complete the form and send to the address at the bottom of the page or email your suggestions to [democracy@rossendalebc.gov.uk](mailto:democracy@rossendalebc.gov.uk)

It would be helpful if submissions were received by 11 April 2008.
