4. POLICE UPDATE

Summary of Update from Inspector Wilkinson

Crime for the period November 2007 – February 2008 was clarified as follows:

Auto crime had decreased by 5 crimes.
Burglaries had decreased by 7 crimes.
Violent Crime had increased to 46 reported crimes.
Damage had increased to 51 reported crimes.

The overall crime detection rate was noted as being the highest in the area at 37.5%. It was noted that there had been a change in the way that crimes were reported and this may have had an impact on the increase in reported crimes.

Initiatives had been carried out within Whitworth which had resulted in offenders being caught. It was also noted that 2 more mobile speed enforcements had taken place, although not at the times requested at a previous forum.

It was noted that an 'Information Reward Scheme Initiative’ aimed at teenagers was being implemented in order to tackle the recurring issue of racist graffiti.
