The Portfolio Holder for Finance and Resources presented the End of Year Integrated Performance Report for April 2007 to March 2008. He explained that the detailed report had evolved because of the need for Overview and Scrutiny to receive more information on every aspect of the Council’s performance.

Councillor Essex discussed each section of the Reports indicating the following:

- Both Whitaker Park and Victoria Park were going for Green Flag Status
- Explanation of the new organisational process
- Increase in recycled household waste
- Continued increase in relation to invoices paid on time

In considering the report Members raised the following matters:

- Format of report - specific details to be fed back by the Scrutiny Support Officer to the Head of Policy and Performance
- The Council’s Priority of Keeping the Borough Clean and Green which had achieved all its targets and Members asked that a letter of congratulations be sent to the service area for achieving all its targets.
- A request for more detailed commentary and information in Section 4 (Performance Indicators) to support the scrutiny process
- Avoiding the use of acronyms within the report
- Targets within the Human Resource Team. It was agreed that the Head of People and Policy be invited to the next meeting to provide an explanation as to why the targets had not been met in relation to BV2a, BV2b, BV11b, BV11c and BV12.

- Enforcement

It was agreed that a Task and Finish Group be established to look at Grass Cutting, which is undertaken by 4 agencies and therefore there was a need for a consistent approach.

The Chair indicated that the informal Overview and Scrutiny Meeting would be seeking a further meeting with the Elections Manager to discuss this further and report back to a future meeting.
