b) If the table above is not fully completed, what further information does the Assessor need?

No further information required.

c) Based on a summary of the evidence obtained, are there specific equality groups more affected than others by this policy/project etc area? If so indicate briefly below.

no

3. Impact – Nature/Type

a) Could you further improve the strategy, project, policy or procedure’s positive impact?

NO

If “Yes”, briefly summarise below how the positive impact could be improved upon.

b) If you indicated that there is neutral impact, could this be changed to become positive?

Yes

If yes, briefly summarise below how this impact could be minimised or removed:

Key Actions:

An Equality Checklist has been introduced for all training venues
All training providers have to meet the Equality requirements for Contractors
Training is provided for Members and Employees on different aspects of Equality and Diversity
The number of employees who have a PDR is monitored within the People and Policy Team
Data according to each of the Equality Strands is monitored and reported to the O and S Committee
c) You need to think about how you can mitigate any adverse or negative impact or use the policy to promote a positive impact. If the proposed policy or project has a:

**High Impact** – you have identified that the policy or project will have a high, negative impact i.e. that it may be or is unlawfully discriminating against some groups, you will have to take immediate action to mitigate this.

Or:

**Lower Impact** – if you have identified that the policy would have a negative or adverse impact (that may not be lawful) you will also need to consider what changes you could make to remove this impact.

If you have identified adverse impact you must determine whether you will recommend that the Council should:

- Change the policy, stating what the changes should be
- Revise the policy, stating the revisions
- Consult further if you feel that you do not have enough information

Actions arising from the impact assessment should form part of the Service Planning Process.

| Key Actions: |
| No further action required |

4. Impact Assessment - Summary

a) Key Findings
