## **6. PRIDE IN ROSSENDALE**

Mr Riley explained that 'Pride in Rossendale' is primarily about delivering physical improvements based on the Neighbourhood Forum's aim for a cleaner, safer and more prosperous environment. It is about instilling a true sense of pride and ownership in the people who live, work and visit Rossendale.

A Key role for the Neighbourhood Forum is to raise awareness of Pride in Rossendale and feedback what you think through our dedicated website, [www.rossendale.gov.uk/prideinrossendale](http://www.rossendale.gov.uk/prideinrossendale) email [pride@rossendalebc.gov.uk](mailto:pride@rossendalebc.gov.uk) write to Julie Jackson at Stubbylee.

A 'Working Group' of councillor's and officer are overseeing the project who will report progress through Cabinet, the Neighbourhood Forums, and the Rossendale Partnership.

The meeting discussed a variety of issues they felt would improve the area such as an increase in waste/dog bins; restoring dry stone walling; providing public conveniences; and cutting back over-hanging brambles.

Councillor Sean Serridge thought that civic pride was already strong in Whitworth as witnessed by the new Civic Centre, swimming baths, work at Shawforth Chapel, flower beds and well supported Area Forum.

It was agreed: That the Area Manager would provide Pride in Rossendale update reports to future Neighbourhood Forum meetings
