Passport to Active Living

Report of	Chief Executive Officer
Report To	Overvie & Scrutiny, Rossendale Borough Council
Date	June 2009

Purpose of Report

This report outlines to members of Overview and Scrutiny the Passport to Active Living scheme operated by Rossendale Leisure Trust, which provides access to recreational and sporting facilities to economically and socially excluded members of the community. The report highlights recommendations which will go in front of the Rossendale Leisure Trust Board on Monday 22nd June. This is an information item requested by Overview and Scrutiny at their April Meeting

Background

The Trust introduced the Passport to Active Living Scheme in 2006. The scheme is designed to assist economically deprived families and individuals who live within Rossendale to access activity at Haslingden Sports Centre, Haslingden Swimming Pool, Marl Pits Swimming Pool and Bacup Leisure Hall. The scheme is not directly supported by Rossendale Borough Council, other than through the general grant to the Trust, and is not outlined in any transfer agreements. The Borough Council operated a Passport To Living scheme as part of their client side function up to 2004; this had approximately 1,000 visits recorded in the final year of its operation 2003/2004. The Trust 'Passport to Active Living' scheme has seen numbers using the facilities increase significantly under PTAL and now records over 30,000 visits across three sites per annum. Due the high levels of use on the scheme a review has taken place to assess the success of the scheme and relevant alterations required within the scheme.

Current ualifications

Members of the scheme must be in receipt of the following:

Working Families Tax Credit (resulting in an annual income of less than £15,000) Housing Benefit Job Seekers' Allowance Incapacity Benefit

Or be aged 60+ be dependent children of any of the above

Access Times

Holding a Passport to Active Living will provide access to the stated facilities as indicated

Monday to Friday - Opening time to 6pm Saturday to Sunday - All day

This is designed to provide wide access opportunities for individuals.

Senior Citizen	£3.60	£1.20	£1.50
Dependent Child	£2.00	£1.20	£1.50

Currently there are three main categories

Adult Junior 60+

To simplify the scheme it is proposed to reduce the categories into a single category of "Member" which would place all admissions at £1.50 per person for non-coached activities.

Administration Costs

Each person joining the scheme will be required to pay £2.00, for a maximum membership of 6 months' duration. Membership may be renewed, but on reapplication, existing members will have to resubmit proof of qualification.

£2.00 will be charged for lost or damaged membership cards.

Proposals Being put to Rossendale Leisure Trust Board

- 1) Create a single category of membership charged at £1.50 per admission for noncoached activities.
- 2) Reduce current subsidies for coached activities to 20% from 30%
- 3) Reduce subsidies for swimming lessons from 56% to 30%
- 4) Introduce new qualification criteria of "In receipt of State Pension" to replace 60+ category
