Completed: 23/07/2009

1. Impact Assessment – Policy and Target Outcomes

   To demonstrate how the Licensing Authority will administer the Gambling Act 2005.

   b) Is the policy or decision under review (please tick)

   New/proposed □  Modified/adapted □  Existing □
c) Main or intended groups identified as beneficiaries, targets or users of (or affected in any other way) this strategy, policy, project, procedure or decision? Please specify in box below:

- Customers/citizens of the district
- Targeted-specific groups of customers/citizens (indicate below in [d]).
- Elected Members/Councillors
- Internal colleagues/customers or other public authorities e.g. government agencies
- Community Groups/voluntary sector groups or campaign/interest groups
- Staff/employees (in their contractual position) and/or potential employees/trainees.
- Any other stakeholder e.g. trade unions, contractors, suppliers, district partners, public agencies (not directly under Council control), intermediaries representing interest groups e.g. tenants, developers, legal agencies or third parties.

Main beneficiaries:
The statement of principles is relevant to all residents and businesses with the Borough. The statement is also relevant to licence holders who exist outside of the Borough. The statement will impact on individuals and businesses making applications, making representations, seeking reviews and applying for permits, registrations and notifications. The resultant controls on gambling activities will also impact on visitors to the area participating in such activities.

d) Please detail below specific equality groups who will be the main beneficiaries, targets and users of this strategy, policy, project, procedure or decision, or who will be affected in any other way.

Key equality groups as main beneficiaries or affected in any other way (where appropriate):
The statement aims to provide information and guidance on the general approach that the licensing authority will take in respect of its functions under the Gambling Act 2005. The statement does not prevent anyone from making an application and having that application determined on its individual merits.

The statement conveys that the licensing authority will aim to permit gambling at properly regulated premises with proper regard to the licensing objectives. These are:

1. preventing gambling from being a source of crime and disorder;
2. ensuring that gambling is conducted in a fair and open way; and
3. protecting children and other vulnerable persons from being harmed or exploited by gambling.

To prevent discrimination against any particular individual or business, the statement makes it clear that the licensing authority will only consider relevant matters and will follow guidance issued by the Gambling Commission.
The Gambling Act 2005 has a clear objective to protect children and vulnerable persons from being harmed. This objective clearly benefits children and vulnerable persons from the risks and dangers posed by gambling activities.
e) To assist with the assessment you may need to consider collecting the following information, before completing the table in Section 2:

- **NATIONAL DATA**  e.g. surveys, reports, statistics, etc which point up specific areas/issues.
- **LOCAL DATA**  e.g. demographics, service mapping studies & relevant research.
- **MANAGEMENT INFO**  e.g. data collected for operational/financial or other purposes.
- **MONITORING DATA**  e.g. information already available or collected. For example: disability type, age band, gender, location. (ref. existing LPSIs).
- **CONSULTATION/CONTACT DATA**  e.g. user group feedback, representations, specific consultation events etc.
- **CUSTOMER COMPLAINT/FEEDBACK**  e.g. results of investigations, inquiries, elected member cases, normal complaints/compliments etc.
- Views of LSP Officers, independent externals, contractors/suppliers, partners and academia (if relevant).
- **OTHER**  e.g. frontline employee feedback, other research, experiences of other agencies/local authorities, councillors mailbags/surgeries.

Please detail in the box below, the information you have considered to make this decision/recommendation regarding the communities affected by this.

The Gambling Act 2005 and it's associated licensing objectives.
