**We carry out Community Impact Assessments to analyse the effects of our decisions, policies or practices. The CIA should be undertaken/started at the beginning of the policy development process – before any decisions are made.**

### 1. Overview

<b>The main aims/objectives of this policy<sup>1</sup> are:</b>
Change the way that garden waste is collected over the winter months by moving from a regular route where all homes with garden waste bins are visited regardless of whether or not they present their bins for collection, to an 'on demand' service, where set days would be provided for garden waste collections and residents would be able to notify The Council if they wanted their garden waste to be collected on that day. This would allow the staff to be used more efficiently on other tasks in the winter months.
