We carry out Equality Impact Assessments to analyse the effects of our

decisions, policies or practices. The EIA should be undertaken/started at the beginning of the policy development process – before any decisions are made.			
1. Overview			
The main aims/objectives of this policy are:			
There are a number of options being considered by the Council and Rossendale Leisure Trust to reduce the costs of Leisure provision in the valley.			
This impact assessment considers the impact on protected equality groups should options 1 be pursued. Option 1 is to continue to operate the pool as it is, with no change to operations. This means that current access to service would remains unchanged for all current users of Haslingden Pool.			
This EIA has been carried out in accordance with the evidence available at this current time, and will be reassessed as appropriate throughout the consultation process to inform final decision making.

## 2. Equality Impact

Using the table below please indicate whether the policy/strategy/decision has a positive, negative or no impact from an Equalities perspective on any of the protected equality groups listed below. Please also give consideration to wider equality of opportunity and community cohesion impacts within and between the groups identified. If you have identified any negative impact and mitigating actions are not sufficient, you will need to complete a Full Equality Impact Assessment.
