

Case No.:

# Building Regulations 2010 (as Amended) Exempt Buildings Pro-forma Carport

This form has been designed so that the Council may decide whether an application under the Building Regulations will be required for the erection of the carport.

Owners Name:	
Address of Proposal:	
Telephone Number:	

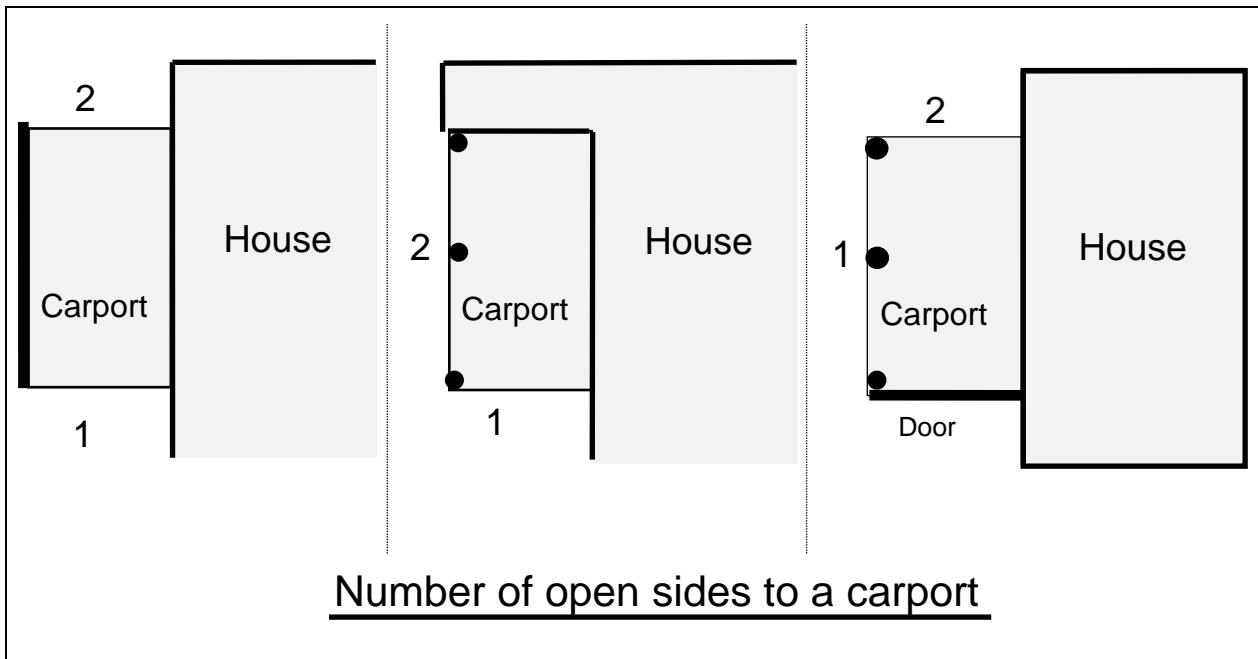

I confirm that the dimensions and information I have given on this form are accurate, and that I believe the proposed carport is exempt from the requirements of the Building Regulations 2010 (as Amended). I also understand that the information contained within this form may be shared with other sections of the Council.

## The Regulations

A carport is exempt from the **Building Regulations** providing that it meets with the following criteria:

- it has a floor area of less than 30m<sup>2</sup>;
- it will be single storey;
- it has two or more sides open to the air.

## Planning Permission

Please be aware that Planning Permission and Building Regulation Approval are two entirely separate issues. Regardless of whether permission under the Building Regulations is required, you are advised to contact the Authority's Development Control Section to discuss whether Planning Permission will be needed for this or any other work you propose.

Correspondence regarding Planning Permission should be addressed to Development Control, The Business Centre, Futures Park, Bacup, OL13 0BB.

Once complete, please return to **Building Control, Rossendale Borough Council, The Business Centre, Futures Park, Bacup, OL13 0BB.**

In return you will be sent either a letter of confirmation, exempting the carport from the provisions of the Building Regulations, or a set of application forms and a covering letter.
