Application for a Discretionary Housing Payment

About the Discretionary Housing Payment scheme

A Discretionary Housing Payment is extra help we can give you (on a short term basis) to top up a shortfall in your rent. To qualify you must receive at least some Housing Benefit and show you are having difficulties with your finances.

Discretionary Housing Payments are not the same as Housing Benefit. They are special payments which come from a separate fund. Once the fund has been spent in any financial year no more Discretionary Housing Payments can be made.

How to Claim

Simply fill in and return this form to the Benefits Section at Rossendale Borough Council PO Box 104, Futures Park, Bacup, OL13 3BU or take it to the One Stop Shop, Futures Park, Newchurch Road, Bacup, OL13 0BB. We may need to write to you for more information if we need it

Making a decision

When making a decision we need to look at things like:

- The shortfall between your housing benefit and the amount you have to pay;
- Any efforts you have made to reduce your rent;
- Your financial and medical circumstances and the financial and medical circumstances of anyone who lives with you;
- Your income and expenditure and the income and expenditure of anyone who lives with you;
- Your savings investments and any held by anyone else living with you;
 You must supply copies of recent statements for all accounts held.
- Any debts owed to you or anyone else who lives with you;
- Any exceptional circumstances;
- The amount of money we have available in the fund when we consider your application; and
- Any other special situations.

The award

We will write to you to tell you whether your application has been successful or not and the amount we have awarded. This might not be as much as you need to pay your full rent.

The Period of the award

We will tell you how long the payment will last for. The Discretionary Housing Payment fund is meant to help with short term emergencies. If you get an award, there is no guarantee that another award will be made at a later date even if your circumstances have not changed.

What to do if you think our decision is wrong

There is no right of appeal to an independent Tribunal. However, you may ask us to look at our decision again and another decision maker will look at your application. You can ask for a review if we have refused your award, or we have awarded a reduced amount, or we have told you we have overpaid you.
