

Email 180719 from Programme Officer to representors re MIQs etc

From: Tony Blackburn

Sent: 18 July 2019 10:53

Subject: Rossendale Local Plan

This note is being sent to all Publication stage representors regarding the Local Plan and provides the following documents:

1. The Inspector's Matters Issues and Questions ('MIQs')
2. Guidance Notes relating to the above and the series of hearings scheduled to commence on Tuesday 24 September
3. Examination hearing programme for the above
4. Location map for the hearings venue

I will be providing further information to intended participants regarding the hearings in due course, and these details will also become available via the Examination webpage which you are asked to view periodically for latest updates:

https://www.rossendale.gov.uk/info/210148/local_plan/10629/emerging_local_plan/2

The above page also provides access to a comprehensive range of further information including the content of your original representations.

Please would you view the documents accompanying this communication as soon as possible as these set out particular requirements and key dates for those wishing to participate or submit further material. It is not my intention to summarise these documents but I would nevertheless ask you to note in particular:

1. The **deadline of 30 August to advise me if you wish to participate at the hearings** (see in particular Guidance Note point 10) and which individual will be attending
2. The same **deadline of 30 August for responses to the Inspector's MIQs** – please also send the required three paper copies promptly by first class post and no later than Monday 2 September
3. That your MIQ response should identify to which MIQ it relates; this should have some direct relevance to your earlier representation.

Regarding the hearings, I anticipate sending an updated programme to intending participants in early September. Other interested parties not included in that circulation are advised to view the webpage above for any late changes to timetable and/or new information.

In addition to those who wish to participate in discussion at the hearings, the event is also open to observers. It is not necessary to formally advise me if you plan to attend in this manner but if possible a brief note would be appreciated to assist my preparations.

You are welcome to contact me if I need to elaborate upon any of the above or if I can be of further assistance. As with my previous email, if someone else is now dealing with this matter on your behalf please would you forward on this email accordingly and also let me have a note of new contact details.

Thank you.

Tony
