Dear Sir,

I wish to register my objections to the proposed Housing Plan in Loredough.

- ① The Plan was presented as final - no preliminary discussions especially as we were assured there would be no building in the area just a few years ago.
- ② Commercial is already too busy with cars + many heavy lorries up + down at all hours of the day + night.
- ③ The local school + doctors car not cope with the extra children + patients that 250 houses will cause.
- ④ Bunkley Rd has enough traffic problems without 200 + cars + goods vans Lane is not able to take more traffic - A Nightmare already !!
- ⑤ Where is the infrastructure to cope with all this - certainly nothing is in place.
- ⑥ There is certainly not enough Social Housing being provided

Yours faithfully
