Dear Consultee,

You are receiving this email because you have either expressed an interest to be kept informed about the Rossendale Local Plan or have previously commented on it.

Following the commencement of the consultation on the proposed Main Modifications to the Local Plan on the 3rd September 2021 the Council have now uploaded Errata documents to both the [Schedule of Proposed Main Modifications to the Local Plan](#) and the [Schedule of Proposed Policy Map Modifications](#). These documents propose and explain a small number of changes to the Written Statement and the Policies Map, relating to Haslingden Conservation Area, and four housing allocations. These are both saved in [Examination Library 12](#).

The consultation on these two Errata documents will run for six weeks from the date this email is sent, ending at **5pm on Tuesday 9th November 2021**. If you wish to submit a representation on either of these documents then please follow the same format as previously (see below), and making it clear which amendment you are commenting upon.

Please note the deadline for commenting on the other modifications proposed remains 5pm on Friday 15 October.

If you have any queries on this or wish to be removed from the Local Plan Consultation database then please contact the Forward Planning team.
