Dear Mr Atherton,

Examination of the Rossendale Local Plan

It has come to our attention that the Schedule of Main Modifications appended to our Report on the Examination of the Rossendale Local Plan contains a small factual error.

Specifically, Housing Site H9 is shown to be deleted from Table 7 in MM008 on page 30 of the appended schedule. It was shown to be deleted because it has recently been completed. However, this is inconsistent with how other completed sites have been considered and it is not necessary to delete reference to this site from Table 7 for soundness reasons.

We advise that this letter is published alongside our Report and the appended Schedule of Main Modifications on the Council's website.

Yours sincerely,

Katie Child
