### This application to review relates to the following licensing objective(s)

Please tick one or more boxes

- 1) the prevention of crime and disorder
- 2) public safety
- 3) the prevention of public nuisance
- 4) the protection of children from harm

### Please state the ground(s) for review (please read guidance note 1)

Lancashire Constabulary is applying for a review of the premises licence as we believe that the prevention of crime and Disorder, the Prevention of Public Nuisance and the Protection of Children from Harm licensing objectives are being undermined at the premises due to non compliance with opening hours, failure to comply with premises licence conditions and complaints being received alleging drug use and noise and antisocial behaviour occurring that is associated with the premises.

**Please provide as much information as possible to support the application**  
(please read guidance note 2)

Since April 2024 there have been several incidents reported to Lancashire Police that are attributed to the Haslingden Trades Club, Regent Street, Haslingden.

On 26<sup>th</sup> April 2025 a complaint was received alleging drug use at the premises and the flat above the premises with people smoking crack pipes outside, drug dealing from the flat and "lock-ins" after 11pm

On 24<sup>th</sup> May 2025, the Police received a report that a 16 year old female had been drinking in the premises. The informant stated that the female had been in the premises from 19:30 until 23:00 and had been seen drinking Strongbow cider.

On 10<sup>th</sup> June 2025 the Police received a call from the Premises Licence Holder at 23:21hrs who stated that he had been at a funeral that day and had been drinking so was unable to attend the premises, but was concerned that his partner who was working in the premises did not seem to want to close for the night and was under the influence. He stated that he kept ringing her to tell her to shut the pub but she would not close it. He wanted to inform the Police as he was aware of the licensable hours and wanted to assure the Police he was trying to adhere to them. He recalled at 23:47 to update that the premises was now closed.

On 9<sup>th</sup> July 2025 low confidence intelligence alleging blatant drug use in the premises stating that customers and management were openly smoking crack cocaine in the premises and cocaine is often snorted off the pool table.

On 29<sup>th</sup> July 2025 the police received a report stating that there were about 20 females fighting outside the premises, and some of the group did not appear old enough to drink. Officers attended and one female reported an assault and those involved left the scene. The Officers who attended asked for the log to be tagged for the attention of licensing as there were a number of underage people in the premises.

On 13<sup>th</sup> December 2025 at 02:51 hours, the police received a report stating there was a male laid out in the street outside the premises and he was screaming and shouting having banged his head. The caller stated that they believed people were in the premises, even though the doors were closed, and they suspected a "lock-in" and stated it happens every week.

On 19<sup>th</sup> December 2025, Sgt Dundon from Lancashire Police and Susan Chadwick, Public Protection Manager from Rossendale Borough Council attended the premises at 13:00. They spoke to staff and the Designated Premises Supervisor about the incident on 13<sup>th</sup> December. The DPS stated he had had four friends in the premises and he had locked the doors and thought this would be alright. When asked for further details on this he stated he did understand it was against the law "as such, but a lot of places do it".

During this visit, the Officers went through the premises licence conditions with the DPS to ascertain compliance with the conditions contained within Annex 3 that were imposed following a premises licence review hearing in 2024. It was established that the premises licence was no on display and the premises was not compliant with the requirements around training and the keeping of training records; the "check 25" notice behind the bar was small and obstructed; there was no signage reminding customers not to take drinks outside and to respect the neighbours. There was no refusals book or incident book, nor any written dispersal policy, no code of conduct and no written drugs policy. When these failures were pointed out to the DPS he

stated "I take the blame. I didn't know. I used to work away a lot. I am not informed about what's needed".

The Police believe this demonstrates a fundamental failure in management control and oversight at the premises. To not have any knowledge of the licence conditions and in particular conditions that were imposed following an earlier premises licence review is inexcusable for a DPS.

Complaints have been received alleging non-compliance with licence hours, underage children drinking in the premises and significant non-compliance with licence conditions have been identified during a compliance visit to the premises.

This casts serious doubt as to whether the current Premises Licence Holder and Designated Premises Supervisor are capable of running a licensed premises and promoting the licensing objectives.
