

# RESPONSE RECEIVED DURING THE SECOND CONSULTATION ON THE PROPOSED WATERFOOT CONSERVATION AREA

April 2026

A High Quality Environment

## Introduction

---

Rossendale Borough Council consulted on the proposed Waterfoot Conservation Area designation between Monday 20<sup>th</sup> September 2025 and Monday 20<sup>th</sup> October 2025. Representations on the proposed boundary and on the Conservation Area Appraisal and Management Plan were invited.

During the public consultation, a total of 22 comments were submitted. In response to comments made during the first public consultation in September/October 2025 the proposed Conservation Area Boundary for Waterfoot Conservation Area has been extended.

The Council decided to undertake a second public consultation focussed on those affected by the proposed change to the Conservation Area Boundary. Stakeholders who live in or have an interest in property located within the additional Gaghills area identified within the solid red line on the [map here](#), were invited to submit their views on the boundary and, if they have not already done so, on the proposed Conservation Area generally.

The second consultation ran from Monday 23<sup>th</sup> February 2026 until Monday 30<sup>th</sup> March 2026.

The response received is enclosed overleaf.
