COMMUNITY ACTIVITIES

YOU'RE INVITED – OUR JOINT ANNUAL GENERAL MEETING

Rossendale Community First Responders and Community Defibrillators for Rossendale invite you to join us for our Joint Annual General Meeting.

Tuesday 8th September 2026

7:00pm prompt

Waterfoot Police Station, Bacup Road, Waterfoot, Rossendale, BB4 7JA

ALL ARE WELCOME!

Our AGM is an opportunity to hear more about the work taking place across Rossendale – from our Community First Responders supporting the North West Ambulance Service, to the continued work of Community Defibrillators for Rossendale helping provide lifesaving public-access defibrillators throughout the Valley.

It's also a chance to find out more about what we've been doing over the past year, what we have planned for the future, and the different ways you can get involved or support us.

Access & Parking:

The gates at Waterfoot Police Station will be manned from 6:45pm to allow access to the site. You are very welcome to park in the Police Station car park. On arrival, simply drive up to the barrier and let the member of the RCFR team on the gate know that you are attending the AGM. They will allow you access to the car park.

Please arrive in good time as the meeting will begin promptly at 7:00pm.

Whether you already support us, have attended one of our events or training sessions, are interested in what we do, or simply want to learn more about the work happening in your local community – you are very welcome to attend.

Your community. Your responders. Your defibrillators.

The production is designed to be inclusive, welcoming d/Deaf and hard of hearing audiences, and is available with audio description for blind and partially-blind audience.

Touch Tour 2pm

Touch Tour (for blind and partially sighted audience members) Before the performance, audience members who are blind or partially sighted are invited to join a touch tour. This is an opportunity to explore the puppets, costumes and set by touch, and meet the performers before the show.

A curious young cub is accidentally swept into a bustling robot-run factory after being mistaken for a new worker. Struggling to keep up with the mechanical routines, the cub's playful instincts begin to disrupt the system. This highly visual story is brought to life through hand carved wooden marionettes, hand-painted sets and original music.

Full of humour and striking imagery, the piece explores identity, the resilience of nature, and what happens when imagination meets a world of rules. Inspired by the children's book of the same name by Frank Tashlin.

ROSSENDALE MEN'S SHED

HASLINGDEN | COMMUNITY LINK

Rossendale Men's Shed provides a friendly, informal space where men can come together for a brew, a chat, and the chance to get involved in practical projects. We know how important connection and purpose are for wellbeing, particularly for men who may be retired, living alone, or experiencing loneliness or mental health challenges.

Whether someone wants to work on a project, learn new skills, or simply enjoy good company and conversation, they are very welcome. No previous experience is needed – just an interest in meeting others.

As Kris Corps, Men's Shed Project Co-ordinator at Haslingden Community Link, explains:

"We're really pleased to have the Shed open again. It's not just about making things – it's about friendship, having a place to go, and knowing you're not on your own. Whether someone wants to work on a project or just have a brew and a chat, they'll be made very welcome."

Men's Sheds have been shown nationally to support mental health, reduce isolation, and help people build friendships and confidence, and we are proud to offer that opportunity locally here in Rossendale.

We are currently open:

Monday, Wednesday and Friday

CONSUMER ALERT

Warmth in UK I Warmth in UK Ltd

Warmth in UK Limited have been operating across Lancashire offering free quotes on loft insulation and other insulation measures. They have been cold calling door to door and pressure selling, especially to older residents.

Concerns raised include:

- Pressure to have insulation installed quickly
- Upfront deposit
- Quote of £4000 for works on many quotes regardless of the work undertaken
- Offers reflective foil insulation between rafters, often when adequate insulation is already in place
- Foil insulation is disproportionately expensive relative to the likely energy savings and may create ventilation or condensation risks if incorrectly specified.

What you can do:

- Do not agree to work from cold callers
- Contact Greener Homes Lancashire if you have a quote for a sense check on 0330 606 1488 (Option 3)
- Get advice before paying a deposit

GET VOLUNTEERING: A DEDICATED WEBSITE MAKING VOLUNTEERING EASIER FOR EVERYONE

Burnley, Pendle and Rossendale Council for Voluntary Service (BPRCVS) has launched a brand-new volunteering website, Get Volunteering, making it easier for local people to find opportunities and for groups and organisations to recruit volunteers.

The platform brings volunteering in Burnley, Pendle and Rossendale together in one place. Local people can quickly search for roles that match their interests, availability and location, while organisations can create and manage opportunities with ease.

Each listing includes detailed information such as role descriptions, hours required, training provided, DBS requirements and safety policies, so volunteers know exactly what to expect. BPRCVS reviews enquiries and supports the process, helping match the right volunteers to the right roles.

For organisations, the system is efficient and flexible – opportunities can be updated, renewed or closed at any time, and automated notifications help you stay informed. The more detail you provide, the easier it is to attract suitable volunteers.

The BPRCVS Volunteer Team remains available to offer advice and support to both volunteers and organisations.
